

Tempcover Ltd (“Tempcover”), 2nd Floor Admiral House, Harlington Way, Fleet, Hampshire, GU51 4BB

Tempcover and yourself agree to be bound by these Terms of Business when you purchase a policy from us. In addition to the contract that you have with the Insurer, you will have a separate contract with Tempcover Limited for the arrangement and administration of your insurance policy. This contract covers the specific insurance intermediary services that we provide directly to you.

You should read the information contained within these Terms of Business before you purchase a policy from us to decide if the services that we provide are right for your needs.

1. Who Regulates Us?

Tempcover Ltd is authorised and regulated by the Financial Conduct Authority (FCA). The FCA is the independent watchdog that regulates financial services, including insurance. Our FCA number is 746985. You can check this at <https://register.fca.org.uk/> or by contacting the FCA on 0800 111 6768. Our permitted business is arranging and assisting in the administration and performance of a contract of insurance.

2. What service will we provide you with?

We provide access to a range of short-term motor insurance policies under 1 month in duration. We will present you with appropriate products, confirm prices, set up, administer and take payment for your insurance. We will also work with our specialist claims management partner to help you make a claim in the unfortunate event of an accident or incident involving the vehicle.

We will not provide you with advice or a personal recommendation. We will help you make the right choice by asking some questions to narrow down the selection of cover options and provide information relevant to your insurance demands and needs. This will involve us providing you with a quotation. You will then need to make your own choice about how to proceed. We can answer any questions you may have but we will not be able to advise you.

By completing our on-line application, you have requested short-term motor insurance in accordance with the information that you have provided. The standard private car and commercial vehicle policies that we arrange and administer are designed for people who require short-term motor insurance cover on a comprehensive basis whilst driving in the United Kingdom.

For more information relating to what we can and cannot cover, please review our Eligibility Criteria at <https://www.tempcover.com/who-we-cover-eligibility>.

We will act for the insurer when we make their product available to you and assisting in the administration of the policy of insurance. We will generally source the best price for you and present this to you alongside documentation for you to read to allow you to make an informed decision about your purchase.

However, in certain circumstances we may act for and owe duties of care to other parties. We will inform you when these circumstances occur so you will be aware of any possible conflict of interest.

4. Whose products do we offer?

6. How we will handle your money?

We act as agent of the insurer for the collection of premium and where applicable any refunds. This means that premiums are treated as being received by the insurer when received in our separate insurer trust account and the insurer will bear the risk for any losses that may arise from the failure of our firm. This means that the policy will start on the agreed start date irrespective of whether the insurer received payment of the premium. Any interest, or investment returns, earned on monies whilst in our possession will be retained by ourselves.

7. Your duty to disclose information

8. Changes, Cancellations and Refunds

If your policy is for 30 days or less in duration, once purchased you will not be able to make any changes or additions to the policy and due to the short-term nature of the policy, you will not be entitled to a refund of any monies paid if you cancel your policy.
